## Welcome to Landhaus Lisa!

Our house is situated in a sunny and peaceful location with wonderful views over the Schladming Tauern, the Dachstein massif and the Enns valley.

Although secluded, the property has direct access to the pistes and is close to the ski-bus stop and the ski-kindergarten. There is parking for your car and a lovely garden with a pond. For young children there is a cot and a high chair.

The house also offers the opportunity to for wellness treatments in the Tepidarium and Laconicum.

We are looking forward to your enquiries and reservations!
